

INFORMED CONSENT FOR CHEMICAL PEEL & MICRODERMABRASION

A skin peel is not a "cure-all" treatment, but for appropriate conditions, It can improve the skin. It is very important that you have a thorough understanding of what a peel can and cannot do for your particular condition. Please complete and sign this form.

in an an and the Con Block to a reference altitude and for
I,, give my consent to Spa Black to perform a skin peel and/or
microdermabrasion treatment on my face or body part in order to treat the following conditions
PLEASE INTIAL BY EACH AGREEMENT:
The peel treatment was explained to me.
I understand that the degree of improvement I can expect to see is dependent on many
variables, and therefore cannot.
I understand that this is a program of treatment, and that I may need several peels in order
to achieve my best results.
I understand that I can expect to have 1-2 minutes of stinging or burning sensation
immediately after the peel has been applied or longer with certain peels.
I have ceased use of Hydroquinone/Salicylic/Azelaic acid products several days prior to this
service.
I have ceased use of retinoid (Retin-A,Renova)several days prior to this service.
I do not at this time suffer from HIV, Hepatitis, Herpes simplex (cold sores) infections or
facial warts.
I have informed my aesthetician if I suffer from diabetes.
I am not currently undergoing chemotherapy, radiation treatments or using anti-cancer
drugs at this time.
I am not pregnant or breast feeding at this time.
I am not sunburned at this time.
I do not have permanent tattooed makeup (eyeliner, brow liner, lip liner) or I have notified
the aesthetician so that my tattoo will be covered with Aquafor as not to fade or discolor ink.
(Applies to Glycolic peels only)
I understand that I MUST use an SPF of at least 30 for the next two weeks following
treatments.(Broad Spectrum required)
I understand that use of tanning beds in between peel treatments will nullify the results
achieved, and worse, can cause severe burns.
I have been given PRE PEEL and AFTER PEEL care instructions (SEE PRE/POST
INSTRUCTIONS CATEGORY FOR HANDOUTS).although complications are rare, they can occur
nevertheless. Prompt recognition and treatments of any complications is necessary. It is
extremely important that you follow instructions exactly and that you notify your aesthetician as
soon as possible if you experience prolonged sensitivity for more than ten days.
There are no refunds provided for peels.
